Hello All,

I have just received the official notification from the doctoral school granting me the right to defend my HDR.

First and foremost, I would like to extend my heartfelt thanks to the three reviewers for the

reports. I appreciate all your valuable support for my work and have taken the critiques into consideration to improve the document. In particular, looking forward the typo you have noticed.

Thank you once again to the jury members for agreeing to participate.

The defense is scheduled to take place in Conference Room IV, École Normale Supérieure, 24, rue Lhomond, Paris on the 14th of March 2024 at 2 PM.

For participants needing to arrange travel, I will send an email to organise your trip to Paris.

Should any of you wish to participate via video conference, it can be arranged.

I look forward to seeing you at the defense.

Best,

Jean-Marc
