

# SKIM

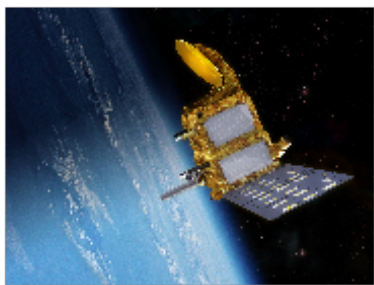

Today is Tuesday ...

Town Hall Meeting : room N1, 7 PM  
currents & waves remote sensing

The SKIM proposal for ESA EE9  
come and hear what it is about...  
... and give your feedback

The "Surface Kinematics Monitoring" (SKIM) combines:

Satellite altimeter

+

Disco ball

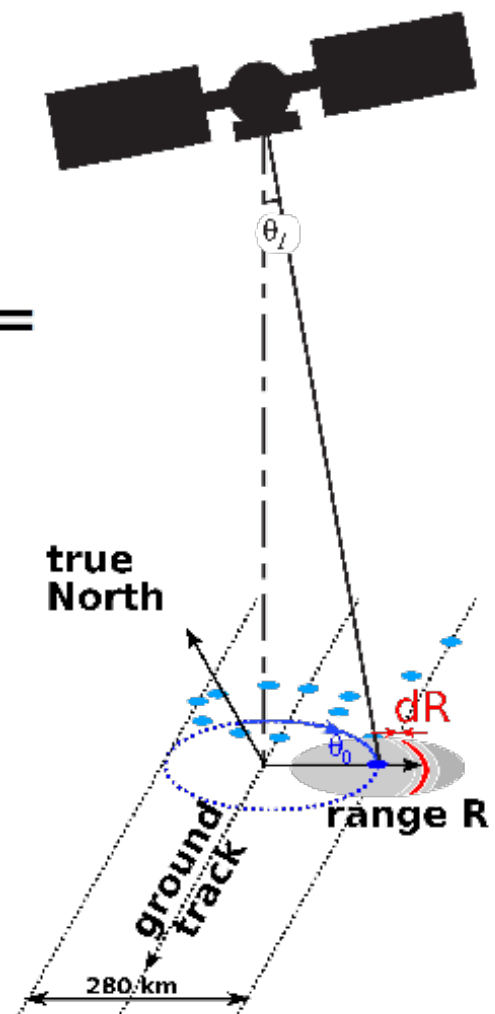

+

Speed gun

=

Applications: ice drift, surface current, wave spectra...
